This is a CPD opportunity for school leaders and teachers to engage in a quality, interactive and enjoyable CPD experience. The event will be held in The Automatic <sup>TM</sup> ([www.ljmu.ac.uk/automatic](http://www.ljmu.ac.uk/automatic)), LJMU’s creative innovation development space.

Our highly experienced facilitators will enable delegates to explore, through a series of interactive activities, how entrepreneurial characteristics can be nurtured throughout the school community in order to increase learner attainment.

The first event will focus on recognising and developing enterprise skills in developing school leadership both at senior and subject levels, the second will consider the development of enterprise skills in teachers in order to embed outstanding teaching and learning in their lessons. Delegates are welcome to attend one or both sessions and as well as the all important networking opportunity, which will provide education professionals with opportunities to share good practice.

It is envisaged that this will be the first of a series of networking opportunities for interested practitioners to develop entrepreneurial dimensions within their settings.

In order to book a place onto the session, please go to [www.ljmu.ac.uk/picknmix-cpd](http://www.ljmu.ac.uk/picknmix-cpd) and click on the ‘Entrepreneurship Session 14 March’ tab. For further information please call 07935 387152.

This CPD event is a LJMU fringe event to the Global Entrepreneurship Congress 2012 9-16 March 2012 Liverpool ([gec.unleashingideas.org](http://gec.unleashingideas.org))
